# MC-1

Newly designed portafilters and steam knobs.

Simple and intuitive control panel.

Cold-touch steam wands.

LED lighting guarantees maximum visibility of the working area.

High group to accommodate Espresso and Latte cups.

Better ergonomics with inclined filter holders.

MC-1 is the professional espresso coffee machine designed to celebrate the Italian coffee tradition. Stylish and trendy looking, in polished stainless steel with sleek sides in baydur, it has a microprocessor for precise programming of coffee and hot water doses and is available in several versions to suit different service requirements.
